

Our office is located on Southpoint Parkway, the same street as Nicolitz Eye, where Dr. Champion previously practiced.

Southpoint Parkway intersects with Belfort Road across from the hospital: St. Vincent's Southside. Turn at that traffic light and continue on Southpoint Pkwy until you reach a 4-way stop sign. Go straight.

You will pass a large white church on the right side of the road called Lineage Church. There is a paved road just past the church. Turn right as shown:

Our office complex is separated into a front and back section. We are in the front section, which is the first left turn.

After entering the parking lots, drive all the way left. Our unit is #1503.
